Re: *United States v. Mark Weissman et al*, 18 Cr. 524 (DLI)

Dear Judge Irizarry:

I write on behalf of Mark Weissman to respectfully request the temporary modification of his conditions of pretrial release to permit him to travel to Miami, Florida, along with his wife, from February 7 through February 11, 2019, for a vacation.

I have advised the assigned Assistant United States Attorney (Nathan Reilly) and Pretrial Services Officer (Robert Stehle) of this request, and they do not object to the proposed modification. If permission is granted, Mr. Weissman will provide Pretrial Services with a precise itinerary in advance of travel.

Respectfully yours,
/s/ELL
